Oak Knoll Country Club Tennis

Main operation in New Orleans at City Park and The University of New Orleans. They have hosted over 100 tournaments and developed many top College Players. The Academy's Camps were voted the best junior tennis camps in Louisiana.

The Academy started the first UTR event in Louisiana and these tournaments are now played worldwide. Abrie and his staff are all certified pro's with many years of experience. Our goal is to grow the individual on and off the courts plus make them love the game.

The director, Abrie du Plooy, has 32 years of coaching experience and was ranked on the ATP Tour plus played Div1 College at The University of Tennessee.

We are so glad to start a program at beautiful Oak Knoll Country Club. Please contact us.
